The Committee of The Reiki Network

The affairs of The Reiki Network are administered by a Committee of seven people (President, Vice-President, Immediate past president, Secretary and three members) who are elected at a biennial General Meeting. The majority of the committee members, particularly the President and Vice President, are Reiki Master Teachers. The committee also appoints a Treasurer and an Editor.

General Contacts:

General enquiries should be addressed to the Secretary of The Reiki Network. Anything the Secretary can not deal with will be referred to the relevant committee member who will reply direct.
